

*A new product update from...dla*

**Finelite presents...Personal Lighting System**

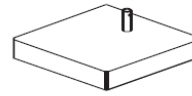

**1) LED based sustainable light solution featuring superior lighting performance, unsurpassed versatility and industry leading sustainability in a sleek and elegant package.**

**1) PLS desk lamp exhibits elegance once found only in fixtures designed exclusively for looks (work surface is bathed in uniform, comfortable light).**

**2) Versatile: the position of the fixture head with the slightest hand movement** (available with weighted base, clamp, or mounting plate).

Weighted Base

Mounting Plate

Clamp

**3) PLS also includes undercabinet lights measuring only 0.8" tall and 2.5" deep** (can be mounted magnetically, or with double side tape, or bolt-on).

**4) Unprecedented energy efficiency, both the task light and the undercabinet light are available in 3, 6, and 9 watt versions** (system operates at a fraction of the energy consumption of traditional task lighting).

Please call with any questions.
