

## A new product update, from...dla

### Manning introduces...Ambia Collection

\* **Translucent resin diffusers feature unique botanicals, rich fabrics, perforated metal and graphic designs** (diffusers are durable, will not tear, and are easy to clean and maintain).

\* View all standard diffuser options by cut & pasting this link into your browser: [http://www.manningltg.com/ambia/ambia\\_diffuser\\_options.html](http://www.manningltg.com/ambia/ambia_diffuser_options.html)

\* **Fine machined, high quality substantial metals create the framework that supports the Ambia Diffusers** (6 products families make up the Ambia collection).
