

A new product update from...dla

Justice Design Group expands its ceramic and porcelain shade lighting offering.

1) Ceramic and porcelain shades are hand cast and hand painted at the Justice Design facility in California.

2) Hundreds of different styles for residential and hospitality, and to add a warmer touch to healthcare and corporate spaces.

3) Up to 45 different ceramic and porcelain finishes.

Visit the Justice Design Group website for more details: <http://www.justicedesigngroup.net/>
